Enter a new User Name, add your E-mail address, create a Password (must be at least six characters long), then confirm your password, and click the Register button.

You are now registered to access the new site. The next step allows you to link your new user account and credentials to the Trustees that had granted you access to the prior Bankruptcy Link website. The linking process creates a custom Trustee listing for which you have access. Once the linking process is complete it will only be necessary to login once to gain access to all of the trustees in your list.

## Linking Account to a Trustee

Once you have registered and are logged in you may start the linking process.
